

Earn \$ Credits at CHINA BOOKS to Purchase Materials for your Classroom!

Dear Teacher or Educator,

Welcome to the **GUANG Teacher Rewards Program**! We are thrilled to be working together with Chinese teachers and educators everywhere in our quest to bring Chinese language and culture to the children of the world. We want you to have the best Chinese materials available for your classrooms so we teamed up with **CHINA BOOKS**, one of the oldest providers of Chinese books and materials in the US, to bring you the **GUANG Teacher Rewards Program**.

We've recently launched the premier volume of **Let's Go GUANG! Chinese for Children**. Our Award Winning Learning Kit includes:

- DVD with animated story and live footage
- Hardback Storybook
- Audio CD
- Multipurpose flashcards
- Parent/Educator Guide

The kit will jumpstart a child's introduction to Mandarin Chinese, and includes everything you need to teach roughly over 50 words and phrases. The vocabulary in each volume of **Let's Go GUANG! Chinese for Children** will build on that in previous volumes so that your students naturally build a robust vocabulary.

In addition to its use as an in-classroom tool, the Learning Kit is also a perfect supplement to your curriculum. As you well know to truly master a second language, students must have continuous exposure to it. We've created this product to make it fun for kids to continue their Chinese studies once they leave your classroom, whether at home, in the car, or even at their grandparents' house. Since our program uses English and Chinese side by side, an added bonus is that parents, whether Chinese speaking or not, can also easily follow along and participate with their children.

How it Works – It's Simple!

- You'll earn a **\$5** credit towards materials for your classroom from aha!Chinese or **CHINA BOOKS.com** just by enrolling.
- Your students will receive a special discount of 10% off the retail price when they purchase through you.

For more information, please visit www.ahachinese.com

- With each **Let's Go GUANG! Chinese for Children** Learning Kit your students purchase, you earn another \$5 toward classroom materials. For example: If your students order 10 Learning Kits, you earn \$50 in credit to be used at CHINA BOOKS.com
- **Refer other Teachers!** Every time you refer another teacher to the program and that teacher's students purchase Learning Kits, you earn another \$2.50 program credit for each kit.
- Rewards certificates are redeemable starting at only \$25 (in \$25 increments.)

Please join us in our mission – together we can give the gift of the Chinese language and culture. If you have any questions, please feel free to contact us at info@ahachinese.com or (415) 272-7618. We look forward to a long and fruitful partnership.

Sincerely yours,

Janet & Karen
